PICAL CURE OF SPERMATORRHOEA, or Semina Weakness, Sexual Debility, Nervousness and Involun tary Emissions producing Impotency, Consumption and Mental and Physical Debility. BY ROB. J. CULVERWELL, M. D., The important fact that the awful consequences of self-abuse may be effectually removed without internal medicines or the dangerous applications of caustics, instruments, medicated bougies, and other empirical devices, is here clearly demonstrated, and the entirely new and highly successful treatment as adopted by the celebrated author fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day. This Lecture will prove a boon to thousands and thousands.
